

HUGG & HALL MOBILE STORAGE

LITTLE ROCK / EMPLOYEES: 17 / INDUSTRY TYPE: TRANSPORTATION

Hugg & Hall Mobile Storage is the largest Arkansas-owned portable storage company in the state.

In business for more than 20 years, the company has created success through an outstanding, well-trained workforce composed of professionals who enjoy working together.

The staff and employees are dedicated to providing exceptional storage solutions to customers and generating strong margins for the business while celebrating diverse backgrounds and appreciating each team member for their contributions.

All employees are empowered to participate and partner with one another in a culture of mutual respect, inclusion and friendship. The company celebrates success and hard work; before one of its biggest annual projects — shipping between 400 and 500 containers to Walmart at Christmas — management and drivers enjoy a big dinner together.

Team building is facilitated through opportunities to volunteer at nonprofits and the company springs for lunch and happy hours, occasionally shutting down early in order to catch up with the whole group.

Drivers earn cash safety bonuses, milestones are recognized at the company Christmas party and there are also monthly birthday parties.

Hugg & Hall developed a formal COVID-19 Response Plan that included immediately reporting symptoms or contact with someone with a positive test, and employees with sick family members stay home. Quarantined employees can work remotely, travel has been reduced, meetings are mostly by teleconference, all hygiene guidelines are followed and close contact is limited.

Centers for Disease Control and Prevention (CDC) guidelines are posted at office entrances and as part of the regular cleaning process Hugg & Hall has a deep cleaning and disinfecting service to treat both office locations.

DID YOU KNOW? *Hugg & Hall Mobile Storage is building a structure using container architecture that will be a gathering place for lunches, breaks and team meetings in nice weather.*
